I just found out that I will not be needed in Northampton Monday, so if you end up needing me for the [REDACTED] trial (or the [REDACTED] trial you summonsed me for as well), I should be available.

it's a typo. It's probably not going to be a trial.

Hi Magali-

I received a summons for April 4, 2011 for the [REDACTED] case, but I noticed that it says it is a Motion to Suppress and not a Trial. Was it a typo on the summons? Normally for Motions, we do not need to be present and I am curious whether or not I may be needed. And, along those lines, I wanted to remind you that I have district court cases scheduled in Springfield (likely a plea) and Northampton on April 4th as well. Thanks.
